**DESCRIPTION**      This product is exactly what the title implies, the ULTIMATE protection against free radicals..and now comes to you premade! We are overjoyed to introduce to you the first product in our facial care series! Now you too can offer serious skin care, without the work! Just package, label, and price! This formula is absolutely TDF, with the incorporation of our new Organicals™ Anti -Ox Complex which feeds, protects, and revitalizes the delicate facial skin with extracts of Watermelon, Rosehips, Wheat Germ, Green Tea, and Ginko Biloba! The soft, moisture-filled whip of a cream also harnesses the cell renewal of Allantoin, and the amino acid and vitamin content of Aloe Vera. Vena Sateena lends it's 5% Beta Glucans to this luxury, which

**DESCRIPTION**

boosts the skin's own immuno functions! We couldn't resist adding Dermalife<sup>™</sup> to this formula, which has been clinically shown to boost skin cell vitality by up to 60%! What this means to you? Improved collagen, elastin, and keratin production! Who doesn't want that? Wheat Germ, Grapeseed, and Rice Bran Oils offer natural Tocopherol (Vitamin E) content as well as Tocotrienols, Linoleic Acid (Omega 6), Gamma Oryzanol, and Chlorophyll! Naturemulse<sup>™</sup> mimics the skin's own lipid barrier, and is derived from our champion AHA...Lactic Acid. Isopropyl Myristate gives this lovely emulsion just enough glide, while CoEnzyme Q10 offers the most powerful protection ever discovered against lipid peroxidation, considered the BEST biomarker of the aging process! Hydrolyzed Soy Protein Plus delivers natural lipids, and Isoflavones with a cationic charge. Revolution E is what's for dessert...nature's powerful Tocopherols in a nanotope delivery system!

Organicals<sup>™</sup> Anti-Ox Protective Moisturizer For Face features our new paraben-free preservative system, Optiphen PLUS.
